

**CONDITIONAL COMMITMENT**  
(Business and Industry)

TO: Lender	Case No.
Lender's Address	State
Borrower	Principal Amount of Loan

From an examination of information supplied by the Lender and other relevant information, it appears that the transaction can properly be completed.

Therefore, the United States of America acting through the United States Department of Agriculture (USDA) hereby agrees that, in accordance with applicable provisions of the regulations, it will execute Form 4279-5, "Loan Note Guarantee," subject to the conditions and requirements specified in the regulations and herein.

The Loan Note Guarantee fee payable by the lender to USDA will be the amount as specified in the regulations on the date of this Conditional Commitment for Guarantee. The interest rate for the loan is \_\_\_\_\_ % 1/. If a variable rate is used, it must be tied to a base rate agreed to by the Lender and USDA which cannot change more often than quarterly and must be published periodically in a financial publication specifically agreed to by the Lender and Borrower.

A Loan Note Guarantee will not be issued until the Lender certifies that there has been no adverse change in the Borrower's financial condition, nor any other adverse change in the borrower's condition, for any reason, during the period of time from USDA's issuance of this Conditional Commitment for Guarantee to issuance of the Loan Note Guarantee regardless of the cause or causes of the change and whether the cause or causes of the change were within the Lender's or Borrower's control. The Lender's certification must address all adverse changes and be supported by financial statements of the Borrower and its guarantors executed not more than 60 days before the time of certification. As used in this paragraph only, the term "Borrower" includes any parent, affiliate, or subsidiary of the Borrower.

In the event of the Government's failure to issue a guarantee in a situation where it is found to be in breach, the other party's remedy is limited to a suit for the guaranteed portion of principal and interest which ultimately remains unpaid.

This agreement becomes null and void unless the conditions are accepted by the Lender and Borrower within 60 days from the date of issuance by USDA.

Except as set out below, the purposes for which the loan funds will be used and the amounts to be used for such purposes are set out in the Application for Loan Guarantee. Once this instrument is executed and returned to USDA no major change of conditions or approved loan purpose as listed on the forms will be considered. Additional Conditions and Requirements including Source and Use of Funds: 2/

If the conditions set forth in this commitment are not met within \_\_\_\_\_ days from the date of this commitment, USDA reserves the right to discontinue the processing of the application and terminate its commitment. If USDA decides to terminate this commitment USDA will provide the Lender a written notice at least 14 days prior to termination. 3/
